Subject: Professional installation justification
Reference: Safemine Ltd Model No: QC250
Proposed IC Certification No.: (ZKSQC250A)

To Whom It May Concern:

Safemine Ltd confirms the following points regarding professional installation:

1. The device is only sold to a dealer. No sale to retail or to the general public.
2. The device can only be installed by a professional who has completed a special training.
3. A special knowledge to configure a device is needed.
4. The intended use is not for the general public. It is for industry/commercial use.

Sincerely,

A handwritten signature in blue ink, appearing to be "AR", written over a horizontal line.

André Reichmuth
Test Engineer
