Subject: Professional installation justification
Reference: Safemine Ltd Model No: RS9110-N-11-22
Proposed IC Certification No.: (ZKSRS9110N1122)

To Whom It May Concern:

Safemine Ltd confirms the following points regarding professional installation:

1. The device is only sold to a dealer. No sale to retail or to the general public.
2. The device can only be installed by a professional who has completed a special training.
3. A special knowledge to configure a device is needed.
4. The intended use is not for the general public. It is for industry/commercial use.

Sincerely,

A handwritten signature in blue ink, appearing to read "AR", is written over a horizontal line.
