seek application approval for a Class 2 permissive Change on a currently certified device identified by:

	Grantee Code (CG)	Product Code	The initial (original) grant for this device was issued on:
FCC ID:	<b>ZKZ</b>	<b>-33508</b>	<b>06/09/2011</b>

(below, please provide a brief description justifying this application for a Class 2 permissive Change, such as components, PCB changes, etc)

The device was modified in the following manner:

For this two products GR-16 and GR-16L, is exactly the same products, without any change in the shell or the internal structure and circuit. It is just type changed. Change of the model No., only for the convenient management purposes of different distributors and marketing in different regions. (ex: America & Asia )

The new model is introduced for marketing reasons, however we want to keep the documentation in the FCC database up to date with the products in the market.

(below, indicate all documents supplied for this Class 2 permissive Change application filing)

The Exhibits include: 731 Form, Class 2 permissive Change Request (this letter), Agent Authorization Letter, Confidentiality Letter (long term and short term), Schematics, Internal Photos, External Photos, Radio Test Report, Test Setup Photos.
