Request for Class II Permissive Change

FCC ID: ZMOFM350GL

Date: 2023-05-10

Dear Sir/Madam,

Subject: FCC Class permission change for FCC ID: ZMOFM350GL

Original Grant Date: 04/08/2021

This project is a CIIPC submission to our product: 5G module, model: FM350-GL, the device is identical to the previous certified except for the changes as below:

Model name	Original	New	Remark
FM350-GL	software disable 5G NR N48 Original Software Version: 81600.0000.00.09.03.03	software open 5G NR N48 New Software Version: 81600.0000.00.29.22.06	The hardware is exactly the same, without any changes

The test strategy reference is as follows:

Case	Remark
Part 96	5G NR N48 RF and SAS full test
Part 2.1091	RF Exposure Evaluation add N48

Thank you.

Sincerely.
