

Shenzhen G&T Industrial Development Co., Ltd.
5/F,A Building,Technology Building II,
1057#Nanhai Blvd,Nanshan District,Shenzhen

To Whom It May Concern:

The **Shenzhen G&T Industrial Development Co.,Ltd.** the undersigned, declared that the model H330 support Quad-band GSM and UMTS bands, but GSM900MHz and 1800MHz, UMTS 900MHz and 2100MHz bands cannot be used in North America.

Thank you for your attention to this matter.

Yours Sincerely,

A handwritten signature in cursive script that reads 'Jerry Gao'. The signature is written in a light blue or grey ink and is positioned above a horizontal line.

Jerry Gao
Program Manager
