To whom it may concern:

We, LG Electronics MobileComm USA, declare that the HAC rating for the final version has been changed from M3T4 to M3T3.

The version previously certified with HAC rating, M3T4 has never been marketed in the USA.

Additionally, the only final version certified with HAC rating, M3T3 will be marketed in the USA.

Should you have any questions or comments concerning the above, please contact the undersigned.

Sincerely,

Jacob Cho
Director
On behalf of LG Electronics MobileComm U.S.A, Inc.
