

FCC ID label form

Note!

The label of the EUT is made of a white polypropylene laminate film and it's attached to the EUT by an adhesive. The adhesive is permanent type with strong strength. Additionally, the label is readily visible to the purchaser at the time of purchase.

We, LG Electronics MobileComm USA state that our device, FCC ID ZNFE989, has a battery. However, the battery will not be placed in the battery compartment when delivery, so it is visible to the users as they purchase the product and install the battery.
