# Description of E-label on the G011C

2. FCC ID is applied on packaging.

FCC ID: ZNFG011C

3. Instruction of E-label on the user manual

## **Regulatory information**

The regulatory information, certification, and compliance marks specific to your phone can be found on your device under **Settings > System > About phone > Regulatory labels** and on the back of your device.

**The e-label information will be available to the user without a SIM card, special accessories or supplemental plug-ins.**
