

## Declaration of Manufacturer on Equality of Structure

To whom it may concern,

We: Weatherdock AG,  
Emmericher Str. 17,  
D-90411 Nürnberg

declare under our sole responsibility that our AIS transponders

**Weatherdock: easyTRX3 and easyAtoN**  
**GARMIN: AIS 800**

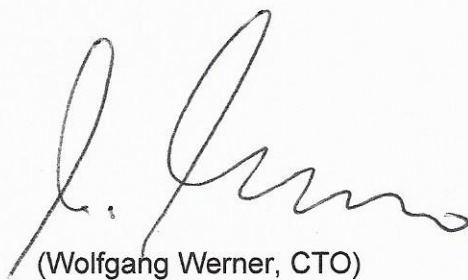

are equal of structure, which means hardware and software of easyTRX3, easyAtoN and AIS800 are equal.

The different plastic housings of Weatherdock: easyTRX3 / easyAtoN and Garmin: AIS800 have got no influence on the Electromagnetic Compatibility (EMC) and Electromagnetic Interference (EMI). All connections to data interfaces and antenna are external and made be means of plugs and sockets, outside of the devices and its housing.
