

FCC / IC Product Label for Model 670A01 and RV670A01

The following information must be on the Sensor. Since the sensor is not large enough to have the rest of the full FCC or IC statement on it, that text is included appear in the User Manual.

PCB Piezotronics, Inc. but we can add IMI Sensors or the IMI logo too

Model Number

FCC ID Number (below)

IC Number (below)

FCC ID: ZOC-IMI672A01

IC: 9732A-IMI670A01
