

FCC / IC Product Label for Model 672A01

PCB Piezotronics, Inc.
IMI Sensors Division
Model: 672A01

FCC ID: ZOC-IMI672A01

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

IC: 9732A-IMI670A01

Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.
