To Whom It May Concern:

This letter grants authorization for representatives of PCB Piezotronics, Inc. to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to Microchip Technology Inc., Model: ATWILC1000-MR110PB, FCC ID: 2ADHKATWILC1000. The original grant date is: 10/14/2015

We are aware that PCB Piezotronics, Inc. intends to market the above referenced product under their own FCC ID: ZOC-LDHVM200B.

Microchip Technology Inc. will continue to sell their device under their existing FCC ID.

The Model with a change in ID is identical in design and construction with our original model. The original test results continue to be representative of and applicable to the module with a change in ID.

Sincerely,
