

# Welcome to Hum

Setup is simple. Let's get started.

1. Download the Hum App
2. Create your account
3. Plug in the OBD Reader

For more info visit [hum.com/setup](https://hum.com/setup)

## Regulatory Information

**FCC:** This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Modifications not expressly approved by Verizon Connect Inc. could void the user's authority to operate the equipment.

**Radiation Exposure Statement:** This equipment complies with FCC/IC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator and your body.
