

Information to the User

The NBM-4 Bluetooth Module is intended for integration into Novero products only. Therefore it has no User Manual. The following information will be included in the end product User Guide:

FCC/Industry Canada notice

This device complies with Part 15 of the FCC and Industry Canada Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference; and
2. This device must accept any interference received, including interference that may cause undesired operation.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

- (1) l'appareil ne doit pas produire de brouillage, et
- (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

FCC Radiation Exposure Statement

This equipment complies with FCC and Industry Canada radiation exposure limits set forth for an uncontrolled environment. End users must follow the specific operating instructions for satisfying exposure compliance. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

NOTE: Changes or modifications not expressly approved by Novero could void the user's authority to operate the equipment.

Label Information FCC/Industry Canada:

If the module is installed inside host devices, then the outside of the device into which the module is installed must display a label referring to the enclosed module. This exterior label shall use wording such as the following:

**Contains FCC ID: ZORNBM-4
IC: 7847C-NBM4**
