Dear FCC,

Please Dismiss the TCB Grants for FCC ID ZQANC11 under TC486139 and TC363779, which were inadvertently granted before the Grantee requested date of March 19, 2015. The Grantee has not received the Grants, which were Set Aside within 15 minutes of the issuance of the Grants, and has not marketed any devices under this FCC ID anywhere in the world.

Please let me know if you have any questions.

Best regards,
