## **ATTESTATION STATEMENT**

### **Declaration on Electrically Identical Models**

#### TO WHOM IT MAY CONCERN

We, Sonic AG, Morgenstrasse 131 B, 3018 Bern, Switzerland declare on our sole responsibility that the products with the model names

FL100 MNR, FL80 MNR, FL60 MNR

with IC Certification Number 9799A-FLIP1 are electrical identical to the product with model number Mini Rite BTE.

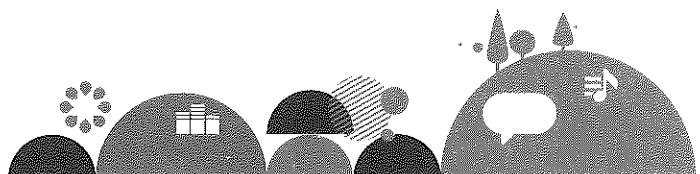

The products incorporating the radio equipment are hearing aids. Differences between the various model numbers are due to different audiological / electro acoustical properties:

- Number and extent of certain features of the audiological signal processing varies for the models '60, '80 and '100.

We attest that above changing are not relevant for any RF behaviour subject to regulatory items. All products use the same electronic module as tested and described in Cetecom Test Report 1-3824/11-01-03.

Therefore Cetecom Test Report 1-3824/11-01-03 remains applicable.
