To whom it may concern:

In accordance with 0.459 of CFR 47, Amped Wireless hereby requests confidentiality of all Block Diagrams, Schematics, Operational Description attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product which Amped Wireless considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Amped Wireless considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
