Assembly w/o PCB

32

The image shows the reverse side of a laptop LCD panel. It features a silver-colored metal frame with several circular mounting holes. A black cable with a white connector is visible on the left side. A small white label with a barcode and 'LG PHILIPS LCD' text is located in the bottom right corner. Another label with a barcode is in the bottom center. The panel is set against a blue background.

Power Cord and I/F Cables
