Re: Change of Identification Authorization, FCC ID: PD9633ANH

Date: June 24, 2011

To Whom It May Concern:

This letter grants authorization for representatives of Samsung Corporation to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to the Intel Corporation, Intel Centrino Ultimate-N 6300, FCC ID: PD9633ANH, originally issued on August 10, 2009. We are aware that Samsung Corporation intends to market the above referenced product under their own FCC ID: A3L633ANH, part number 633ANHMW.

Sincerely,

---

Steven C. Hackett  
Wireless Product Regulatory Engineer  
Mobile Wireless Group  
Intel Corporation
