!

CAUTION

Device must be restricted to occupational use to satisfy FCC RF exposure compliance. See owner's manual for specific operating requirements.

A photograph of the back of a black electronic device. On the left is a white serial plate with the ICOM logo, model number IC-F5121D, FCC ID AFJ333100, 'Icom Inc. MADE IN JAPAN', and IC number 202D-333100. Below this, the serial number 51000218-0 is printed above a barcode. A disclaimer at the bottom states: 'This device complies with Part 15 of the FCC Rules. Operation is subject to the condition that this device does not cause harmful interference.' To the right of the serial plate is a white caution label featuring a triangle with an exclamation mark, the word 'CAUTION', and the text: 'Device must be restricted to occupational use to satisfy FCC RF exposure compliance. See owner's manual for specific operating requirements.'
