To Whom It May Concern:

RE:FCC Part 15 Certification
CIDCO Communications LLC Model D271 2.4GHz Digital Cordless Telephone
FCC ID: HOLD271

Dear Sirs;

In regards to the digital security code issue –

The model D271 utilizes the method of automatically selecting a different code from 1,000,000 possible discrete codes each time it is activated.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ron E. Anglikowski".

Ron Anglikowski
