Subject: Application for a Class 2 Permissive Change to Certified Transmitter module with
FCC ID: IHDT56DB1, Mobile Cellular/PCS GSM Transceiver Module.

Dear Sir or Madam:

Motorola Inc, 600 N. U.S. Highway 45, Libertyville, IL 60048-5343 herein submits its Class 2 Permissive Change application for the subject transmitter.

This Class 2 P/C is requested for the above module to be used in the Xpad with FCC ID: AZ489FT7010. The module will be co-located and "co-transmitting" simultaneously with other transmitters in the Xpad.

We are proposing that the FCC add the following or similar grant conditions to account for when this module is co-located with other transmitters in the device under FCC ID: AZ489FT7010.

"A Class 2 Permissive Change on file is certifying that this module can be co-located with when operating only with the transmitters approved under FCC ID: AZ489FT7010".

See the attached SAR Report showing FCC compliance.

A complete Certification application is enclosed, contact Andy Bachler at (847) 523-6167

Sincerely,
/s/ Andrew Bachler (signed)
