This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: 1. This device may not cause harmful interference, and 2. This device must accept any interference received, including interference that may cause undesired operation.

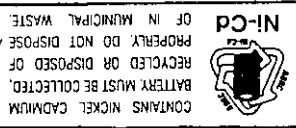

CAUTION: DISCONNECT ALL TELEPHONE AND POWER LINES FROM THE WALL OUTLETS BEFORE SERVICING OR DISASSEMBLING THIS EQUIPMENT OR REPLACING THE BATTERIES. TO REDUCE RISK OF FIRE, USE ONLY 9V (1604) ALKALINE OR CARBON-ZINC BATTERIES.

REMOTE CODE 528

If a 3 beep signal is heard when you press the "TALK" control, the digital security code has been lost. The handset can no longer communicate with its base. To reset: 1. Check to make sure the AC adaptor is connected. 2. Return handset to base for 5-10 seconds to reset the security code. 3. If this doesn't reset, unplug the AC adaptor from the power source, disconnect battery and reconnect; place handset on base and reprogram AC adaptor. If this does not work, call the Consumer Hotline at 1-800-365-0937.

FOR SERVICE CALL: 1-800-365-0937 Or send pre-paid to the service center nearest you: Southwestern Bell Freedom Phone 7475 North Glen Harbor Blvd., Glendale, AZ 85307
