RE: Certification Application for FCC ID: **OIIRED20001991** 

Dear Greg,

In fulfillment of the requirements to obtain a CERTIFICATION grant of equipment authorization for equipment operating under 47 CFR Part 24, Subpart E—Broadband PCS, Omnipoint Technologies, Inc. (OTI) respectfully submits for your consideration the attached filing for FCC ID: **OIIRED20001991**. Included in this electronic submittal are Form 731, Application for Equipment Authorization; Form 159, Remittance Advice and payment in the amount of \$655.00; and the documentation and technical information required by 47 CFR Part 2, Subpart J—Equipment Authorization Procedures, Section 2.1033 *Application for Certification*.

The contents of Exhibit 4, Tune-up Procedure, and the portion of Exhibit 5, Schematic Diagrams, describing the GSM radio module portion of the product will be provided to you under separate cover by Wavecom Incorporated, U.S.A. (Wavecom). All information submitted by Wavecom will be labeled with FCC ID: **OIIRED20001991** for proper identification.

Pursuant to Section 0.459 of the Commission's Rules, Omnipoint Technologies, Inc. and Wavecom Incorporated, U.S.A. respectfully request confidentiality for all of Exhibit 5, Schematic Diagrams, and that this exhibit be withheld from public inspection. This exhibit contains material considered to be trade secrets of both OTI and Wavecom. A considerable effort has been expended in the development of this product, and it is imperative that our competitors do not receive an unfair advantage in the marketplace at the expense of either OTI or Wavecom. Furthermore, it is understood that the information provided by Wavecom to complete Exhibit 5 will also not be available to OTI at the conclusion of the authorization process.

Should you require any further or additional information to process this application, please do not hesitate to contact me directly. I can be reached by any of the following means:
