This is a CONSUMER device. BEFORE USE, you MUST REGISTER THIS DEVICE with your service provider. You must also obtain the service provider's consent to the use of signal boosters. Some providers may not consent to the use of this device on their network. If you are unsure, contact your service provider. You MUST operate this device with approved antennas and cables as specified by the manufacturer. Antennas MUST be installed at least 20 feet from any window, door, or other opening in the building. You MUST cease operating this device immediately if requested by the FCC (orISED in Canada) or licensed wireless service provider. WARNING: E911 location services may not be available if the device is used in a fixed location (i.e., may operate in a fixed location only) for in-building use.
