

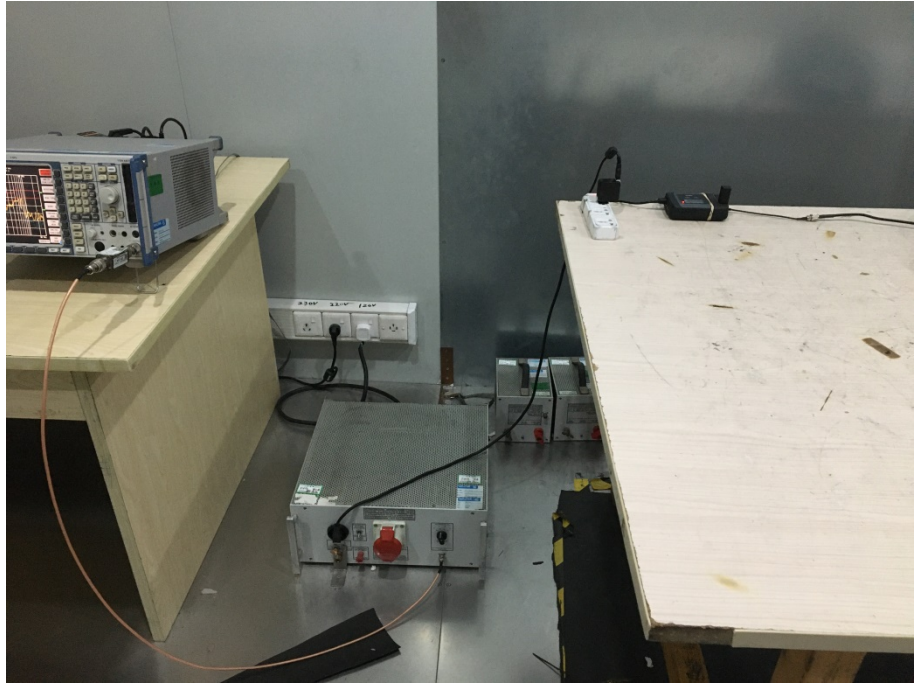

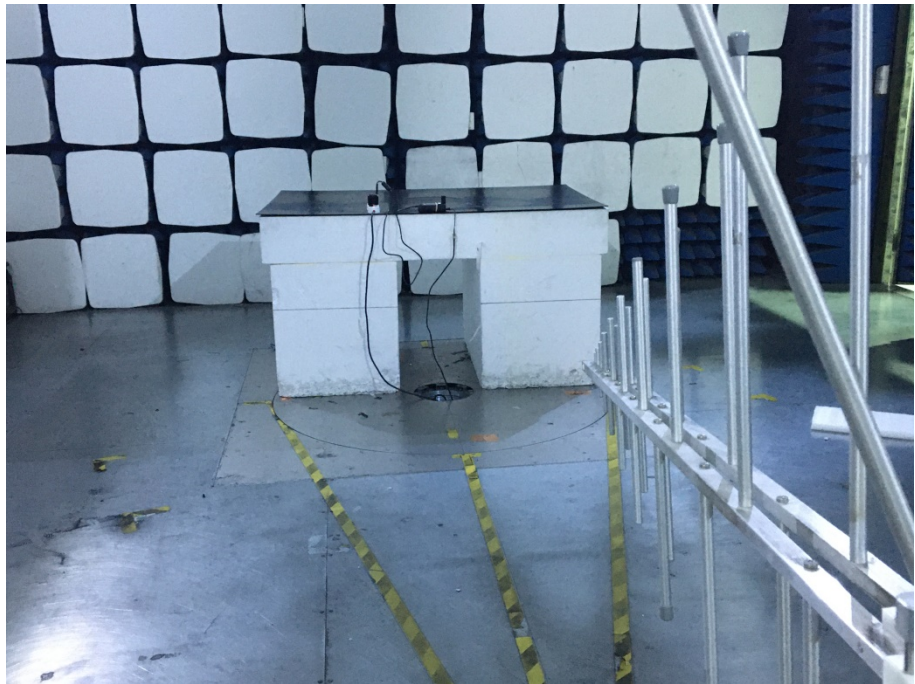

EXHIBIT 4 - TEST SETUP PHOTOGRAPHS

**Conducted Emission
Test Setup**

**Radiation Emission Test
View (30MHz to 1GHz)**

| | |
|--|---|
| <p>Radiation Emission Test View (Above 1GHz)</p> | A photograph of an anechoic chamber during a radiation emission test. The chamber walls are covered with white, square-shaped pyramidal absorbers. A white, rectangular test fixture sits on a white table in the center. A red antenna is visible on the right side. The floor is dark with a yellow safety line. |
| <p>Radiation Emission Test View (Above 18GHz)</p> | A photograph of the same anechoic chamber during a radiation emission test. The chamber walls are covered with white, square-shaped pyramidal absorbers. A white, rectangular test fixture sits on a white table in the center. A blue antenna is visible on the right side. The floor is dark with a yellow safety line. |
