RE: FCC Class II Permissive change for FCC ID: **SO4ZB570-TRI-ALTE**
(Original Grant Date: March 28, 2014)

Dear Sir or Madam:

zBoost LLC is submitting an application for Class II Permissive Change to the booster, ZB570-A (FCC ID: SO4ZB570-TRI-ALTE). The commission on March 28, 2014 originally certified this product under FCC ID: SO4ZB570-TRI-ALTE.

There are no hardware or electrical modifications made to the applying wideband consumer booster.

The changes filed under this application are: (list each change as a bullet point)

- Added a kit that uses a different combination of the already used antennas

Please contact me if you have any questions or need further information regarding this application.

Sincerely,

Scott Terry
VP Engineering
