Solder Board-Component View 6	 A photograph of a blue solder board with a component. A vertical ruler on the left shows measurements from 1 to 39. A horizontal ruler at the bottom shows measurements from 1 to 61. The component is located near the top center of the board.
Solder Board-Component View 7	 A photograph of a blue solder board with a component. A vertical ruler on the left shows measurements from 1 to 39. A horizontal ruler at the bottom shows measurements from 1 to 61. The component is located near the top center of the board.

Solder Board-Component View 8	 A photograph showing a blue solder mask on a circuit board. A metal ruler is placed horizontally across the bottom of the board, and another ruler is placed vertically along the left edge. The board is positioned on a blue surface.
Antenna View	WIFI Antenna  A photograph of a WiFi antenna component on a circuit board. A red line points from the text "WIFI Antenna" to the antenna. The component is labeled "Model: CBU", "PIN: 210 0 1000", and "S/N: 1000067630079C". It is mounted on a blue circuit board with various components like capacitors and resistors visible.
