Re: STMicroelectronics  
FCC ID: YCPGS-HF1  
FCC Certification Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. STMicroelectronics requests that the following documents regarding this submission for FCC ID: YCPGS-HF1 be kept confidential:

<b>Exhibit Type</b>	<b>File Name</b>
Block Diagram	CONF APPENDIX YCPGS-HF1_Block Diagram.pdf
Schematics	CONF APPENDIX YCPGS-HF1 _Schematics.pdf
Operational Description	CONF APPENDIX YCPGS-HF1 _Operational Description.pdf

Those documents contain detailed system and equipment description and related information about the product which STMicroelectronics considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, STMicroelectronics considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours Sincerely,

---
