B. UNIVISION MASS MEDIA INTERESTS

Univision Communications Inc. ("UCI") owns approximately 29.41% of the outstanding stock of Entravision. UCI is the licensee of several television broadcast stations and, through two principal subsidiaries, Univision Television Group, Inc. ("UTGI") and Telefutera, is the ultimate parent of the licensees of some 35 additional television broadcast stations. UCI's ownership structure and direct broadcast interests are described in Section I below. UCI's interests held through UTGI are described in Section II below. UCI's interests held through Telefutera are described in Section III below.

I. Univision Communications Inc.

UCI is a publicly-traded company, and no single person or entity holds 33% or more of the debt/equity of the company. A. Jerrold Perenchio is the single majority shareholder, voting 66.34% of the stock of UCI, by virtue of the fact that his Class P common stock is entitled to 10 votes per share so long as he continues to own at least 30% of the shares he held on October 2, 1996.

Grupo Televisa, S.A. and Venevision Investments LLC are shareholders of UCI which are each represented by a director on the Board of Directors and which are controlled by non-U.S. citizens. In addition, each entity holds non-voting stock and certain warrants, which would allow it to increase its holdings to the extent that it is lawful for such a foreign entity to do so. In the past, the Commission has routinely approved interests such as these held by foreign entities. See Univision Holdings, Inc., 7 FCC Rcd 6672, 6673-74 (1992); FCC File Nos. BTCCT-9606281ID through BTCCT-9606281IN and BTCCT-9606281P through BTCCT-9606281V.

Certain officers and directors of UCI also hold positions as the officers and directors of the broadcast subsidiaries discussed herein.

UCI is the licensee of KAKW(TV), Killeen, Texas (FIN: 148) and KNIC-CA, San Antonio, Texas (FIN: 48837).

II. Univision Television Group Inc.

UTGI is wholly owned by PTI Holdings, Inc. (“PTI”), which, in turn, is wholly owned by UCI. UTGI is the controlling general partner and PTI is the non-controlling general partner of the following licensee partnerships, which are the licensees of the indicated broadcast stations:

KDTV License Partnership, G.P.	KDTV(TV), San Francisco, CA	FIN: 33778
	KDTV-CA, Santa Rosa, CA	FIN: 18148

File Number: 325-NEW-20020801-00006

Grant Date: 09/11/2002 Expiration Date: 09/11/2007

B) This RADIO STATION AUTHORIZATION is granted subject to the additional conditions specified below:

This authorization is issued on the grantee's representation that the statements contained in the application are true and that the undertakings described will be carried out in good faith.

This authorization shall not be construed in any manner as a finding by the Commission on the question of marking or lighting of the antenna system should future conditions require. The grantee expressly agrees to install such marking or lighting as the Commission may require under the provisions of Section 303(q) of the Communications Act. 47 U.S.C. § 303(q).

Neither this authorization nor the right granted by this authorization shall be assigned or otherwise transferred to any person, firm, company or corporation without the written consent of the Commission. This authorization is subject to the right of use or control by the government of the United States conferred by Section 706 of the Communications Act. 47 U.S.C. § 706. Operation of this station is governed by Part 25 of the Commission's Rules. 47 C.F.R. Part 25.

This authorization shall not vest in the licensee any right to operate this station nor any right in the use of the designated frequencies beyond the term of this license, nor in any other manner than authorized herein.

This authorization is issued on the grantee's representation that the station is in compliance with environmental requirements set forth in Section 1.1307 of the Commission's Rules. 47 C.F.R. § 1.1307.

This authorization is issued on the grantee's representation that the station is in compliance with the Federal Aviation Administration (FAA) requirements as set forth in Section 17.4 of the Commission's Rules. 47 C.F.R. § 17.4.

The following condition applies when this authorization permits construction of or modifies the construction permit of a radio station.

This authorization shall be automatically forfeited if the station is not ready for operation by the required date of completion of construction unless an application for modification of construction permit for additional time to complete construction is filed by that date, together with a showing that failure to complete construction by the required date was due to factors not under control of the grantee.

Licensees are required to pay annual regulatory fees related to this authorization. The requirement to collect annual regulatory fees from regulates is contained in Public Law 103-66, "The Omnibus Budget Reconciliation Act of 1993". These regulatory fees, which are likely to change each fiscal year, are used to offset costs associated with the Commission's enforcement, public service, international and policy and rulemaking activities. The Commission issues a Report and Order each year, setting the new regulatory fee rates. Receive only earth stations are exempt from payment of regulatory fees.
