The Commission reserves the right during said permit period of terminating this permit or making effective any changes or modifications of this permit which may be necessary to comply with any decision of the Commission rendered as a result of any such hearing which has been designated but not held, prior to the commencement of this permit period.

This permit is issued on the permittee's representation that statements contained in the permittee's application are true and that the undertakings therein contained, so far as they are consistent herewith, will be carried out in good faith.

This permit shall not vest in the permittee any right to operate beyond the term hereof nor in any other manner than authorized herein. Neither the permittee nor the right granted hereunder shall be assigned or otherwise transferred in violation of the Communications Act of 1934. This permit is subject to the right of use or control by the Government of the United States conferred by Section 606 of the Communications Act of 1934.

**E) Special and General Provisions**

A) This RADIO STATION AUTHORIZATION is granted subject to the following special provisions and general conditions:

203 --- This authorization is predicated on the use of a foreign station assignment, which must abide by the terms of the 1962 United States-Mexico VHF Television Agreement. Hence, this program authorization applies only to the specific foreign station facilities which are currently on file with the Commission as having been officially coordinated by the Secretaria de Comunicaciones y Transportes (SCT) in Mexico and subsequently approved by the Commission for operation. If the transmitter coordinates or technical operating parameters of the foreign station are altered subsequent to this authorization or are found to be different from those currently on file and approved by the Commission, this program authorization will be subject to immediate termination without right to hearing.

**E) Special and General Provisions**

A) This RADIO STATION AUTHORIZATION is granted subject to the following special provisions and general conditions:

325 --- Grant of this permit is conditioned upon the Mexican stations operation in full compliance with applicable treaties and related provisions concerning electrical interference to U.S. Broadcast stations.

B) This RADIO STATION AUTHORIZATION is granted subject to the additional conditions specified below:

This authorization is issued on the grantee's representation that the statements contained in the application are true and that the undertakings described will be carried out in good faith.

This authorization shall not be construed in any manner as a finding by the Commission on the question of marking or lighting of the antenna system should future conditions require. The grantee expressly agrees to install such marking or lighting as the Commission may require under the provisions of Section 303(q) of the Communications Act. 47 U.S.C. § 303(q).

Neither this authorization nor the right granted by this authorization shall be assigned or otherwise transferred to any person, firm, company or corporation without the written consent of the Commission. This authorization is subject to the right of use or control by the government of the United States conferred by Section 706 of the Communications Act. 47 U.S.C. § 706. Operation of this station is governed by Part 25 of the Commission's Rules. 47 C.F.R. Part 25.

This authorization shall not vest in the licensee any right to operate this station nor any right in the use of the designated frequencies beyond the term of this license, nor in any other manner than authorized herein.

This authorization is issued on the grantee's representation that the station is in compliance with environmental requirements set forth in Section 1.1307 of the Commission's Rules. 47 C.F.R. § 1.1307.

This authorization is issued on the grantee's representation that the station is in compliance with the Federal Aviation Administration (FAA) requirements as set forth in Section 17.4 of the Commission's Rules. 47 C.F.R. § 17.4.

The following condition applies when this authorization permits construction of or modifies the construction permit of a radio station.

This authorization shall be automatically forfeited if the station is not ready for operation by the required date of completion of construction unless an application for modification of authorization to request additional time to complete construction is filed by that date, together with a showing that failure to complete construction by the required date was due to factors not under control of the grantee.

**Licensees are required to pay annual regulatory fees related to this authorization. The requirement to collect annual regulatory fees from regulatees is contained in Public Law 103-66, "The Omnibus Budget Reconciliation Act of 1993." These regulatory fees, which are likely to change each fiscal year, are used to offset costs associated with the Commission's enforcement, public service, international and policy and rulemaking activities. The Commission issues a Report and Order each year, setting the new regulatory fee rates. Receive only earth stations are exempt from payment of regulatory fees.**

Entravision has applications pending before the Commission for the following stations: (1) an application for a construction permit for a new DTV television station on Channel 46 at Derby, Kansas (FIN: 166332) in File No. BNPCDT-20060424ADF, and (2) an application for a construction permit for a new UHF television station on Channel 48 at Pueblo, Colorado (FIN: 166331) in File No. BNPCT-20060424ADP.

Entravision Midland Holdings, LLC, a wholly-owned subsidiary of Entravision Communications Corporation, is the applicant for new low power television station construction permits for Fort Stockton, Texas (FIN: 125862), Pecos, Texas (FIN: 125859), and Big Springs, Texas (FIN: 125865).

RELATIONSHIP BETWEEN THE APPLICANT AND FOREIGN STATION

The Applicant brokers time on Station XHRIO-TV and, in connection therewith, provides programming to TV Norte, S.A. de C.V., the entity that holds the concession from the Government of Mexico to operate XHRIO-TV.

DELIVERY OF PROGRAMS

The programming supplied by the applicant will be transmitted on a regular schedule. It has not yet been determined as to how many hours of programming are to be delivered on each weekday and on weekends.

NATURE AND CHARACTER OF PROGRAMMING

The programming supplied by the applicant will be of a varied nature. It will be primarily entertainment programming, but will also include news, sports, and public affairs programming.

ANTI-DRUG ABUSE ACT CERTIFICATION

The applicant certifies that, in the case of an individual applicant, he or she is not subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 853a, or, in the case of a non-individual applicant (e.g., corporation, partnership or other unincorporated association), no party to the application is subject to a denial of federal benefits pursuant to that section. For the definition of a "party" for these purposes, the applicant has relied on 47 CFR 1.2002(b).

Executed at San Diego, California, on the 14th day of September, 2006.
