Re: Clear Channel Broadcasting, Inc.
FCC Form 308 - Request for Section 325(c) Permit

Ladies and Gentlemen:

Transmitted herewith, in duplicate, is an application on FCC Form 308 for authority, pursuant to Section 325(c) of the Communications Act, as amended, for Clear Channel Broadcasting, Inc. ("CCB") to deliver programs to Mexican broadcast station XHEPR-FM, Ciudad Juarez, Chihuahua, Mexico.

CCB, which is an indirect wholly-owned subsidiary of Clear Channel Communications, Inc. ("CCC"), currently provides programming to XHEPR-FM pursuant to an existing Section 325(c) permit. However, following a proposed transfer of control of CCC and its licensee subsidiaries from the present shareholders of CCC to the Stockholders of BT Triple Crown Merger Co., Inc. ("MergerCo"), CCB will be under the control of MergerCo stockholders Thomas H. Lee Equity Fund VI, L.P. and Bain Capital (CC) IX, L.P.

The enclosed Form 308 application requests the issuance of a new Section 325(c) permit to CCB, to be effective upon consummation of the proposed transfer of control of CCC. Grant of this application will facilitate the continued delivery of programming by CCB to XHEPR-FM from and after the proposed transaction.

Accompanying the application is an FCC Form 159, Remittance Advice, and a check payable to the Federal Communications Commission in the amount of \$90.00 to cover the required filing fee.

Structure and Ownership of the Applicant

This application requests the issuance of a new Section 325(c) permit authorizing Clear Channel Broadcasting, Inc. ("CCB" or the "Applicant") to deliver programming to Mexican broadcast station XHEPR-FM, 99.1 MHz, Ciudad Juarez, following consummation of a proposed transfer of control of Clear Channel Communications, Inc. ("CCC") and its licensee subsidiaries. CCB, which is an indirect wholly-owned subsidiary of CCC, currently holds Section 325(c) authority to deliver programming to XHEPR.¹ The issuance of a new Section 325(c) permit to CCB (as owned by CCC following the transfer of control of CCC described herein) will facilitate the continued delivery of programming by CCB to XHEPR after the proposed transaction.

The transaction giving rise to this application involves a transfer of control of CCC from the present shareholders of CCC to Stockholders of BT Triple Crown Merger Co., Inc. ("MergerCo"). At the Closing of the transaction (the "Closing"), the transfer of control will be effectuated by the merger of MergerCo with and into CCC, whereupon the separate existence of MergerCo will cease, and the surviving corporation ("Surviving CCC") will continue under the name "Clear Channel Communications, Inc." and under the control of MergerCo stockholders Thomas H. Lee Equity Fund VI, L.P. and Bain Capital (CC) IX, L.P. (individually, a "Transferee" and collectively, the "Transferees").²

Ownership information for CCB and its controlling corporations within the current CCC organization is set forth in Attachment A hereto. This ownership structure will remain in place following the proposed transfer of control of CCC. In addition, there is no present intention to replace the officers and directors of CCB or the other CCC subsidiaries listed in Attachment A following the transfer of control of CCC.

Information regarding the officers, directors, and voting stockholders of Surviving CCC is provided in Attachment B hereto.³ As reflected in Attachment B, after the Closing, each Transferee will control, in equal amounts, approximately (but not more than) fifty percent of the

¹ See File No. 325-NEW-19990929-00008, granted November 17, 1999. An application for renewal of CCB's Section 325(c) authority was filed on November 17, 2004, and remains pending. See File No. 325-RWL-20041117-00012. FCC action on CCB's renewal application apparently is awaiting information from Mexican authorities concerning XHEPR's operating parameters.

² Affiliates of Transferees are in the business of managing capital and investing in a broad range of companies.

³ For the convenience of the Commission, information furnished in Attachment B is provided in the same format as provided in response to Item 6(a), Section IV of the pending FCC Form 315 transfer of control applications for FCC consent to transfer control of the various broadcast licenses held by subsidiaries of CCC from the shareholders of CCC to the Transferees.

voting stock of the Surviving CCC. The chart included as Attachment C depicts the proposed control structure of the Surviving CCC following the Closing.⁴

The Surviving CCC will have an initial board of directors consisting of ten (10) members with four (4) members appointed by Thomas H. Lee Equity Fund VI, L.P. and four (4) members appointed by Bain Capital (CC) IX, L.P. Mark P. Mays and Randall T. Mays, currently officers and directors of CCC, also will serve as officers and directors of Surviving CCC. Each Transferee will have the right to remove any of its designated directors and to designate the replacement for its designated director or directors. As provided in the Transfer Agreement, the officers of CCC duly appointed as of the date of the Closing will continue in their respective offices. Accordingly, the present CCC officers are reported in Attachment B.

Transfer applications have been filed on FCC Forms 315, FCC Forms 312 and FCC Forms 603 seeking Commission consent to a transfer of control, respectively, of the broadcast, earth station and wireless radio licenses held by CCC and its licensed subsidiaries. A copy of the Commission's *Public Notice* accepting those transfer applications for filing is provided in Attachment D hereto.

Grant of this FCC Form 308 application would serve the public interest by permitting CCB to continue to provide programming to XHEPR without interruption from and after the proposed transfer of control of CCC.

⁴ Except as may be otherwise specified, information provided in this application with respect to the Transferees pertains to the control of the Surviving CCC as it will exist as of the Closing. It is possible that other parties may hold minority voting interests, such that the voting interest of each Transferee would be less than fifty percent.

MB Docket No. 06-226

PLEADING CYCLE ESTABLISHED

Comments/Petitions Due: January 19, 2007

Responses/Oppositions to Comments/Petitions Due: February 1, 2007

Replies to Responses/Oppositions to Comments/Petitions Due: February 13, 2007

On December 12, 2006, pursuant to Section 310(d) of the Communications Act of 1934, as amended,¹ Clear Channel Communications, Inc. ("Clear Channel"), Thomas H. Lee Equity Fund VI, L.P., and Bain Capital (CC) IX, L.P. (collectively, the "Transferees") jointly submitted applications to the Commission seeking consent to transfer control of certain subsidiaries of Clear Channel that are the holders of various Commission licenses and other authorizations.² Clear Channel, through its subsidiaries, controls 1172 broadcast radio stations and 35 broadcast television stations. The applications seek Commission consent to the proposed transfer of control of Clear Channel from its shareholders to the Transferees. Pursuant to the Agreement and Plan of Merger between the parties, appended as Exhibit 6 to the lead application (File Number BTCH-20061212AFT, *et al.*), the transfer will be effectuated by the merger of BT Triple Crown Merger Co., Inc. ("MergerCo"), which is co-owned by the Transferees, with and into Clear Channel. Once this occurs, the separate existence of MergerCo will cease and the surviving corporation will continue under the name "Clear Channel Communications, Inc." and under the control of the Transferees.

¹ See 47 U.S.C. § 310(d).

² See Attachment (listing the applications, including the respective file number, call sign, and authorization holder)

EX PARTE STATUS OF THIS PROCEEDING

Because this proceeding involves broad public policy issues, the proceeding will be treated as “permit but disclose” for purposes of the Commission’s *ex parte* rules. *See generally* 47 C.F.R. §§ 1.1200-1.1216. Should circumstances warrant, this proceeding and/or any related proceeding may be designated as restricted. As a result of the permit-but-disclose status of this proceeding, *ex parte* presentations will be governed by the procedures set forth in Section 1.1206 of the Commission’s rules applicable to non-restricted proceedings.³

Parties making oral *ex parte* presentations are directed to the Commission’s statement re-emphasizing the public’s responsibility in permit-but-disclose proceedings and are reminded that memoranda summarizing the presentation must contain the presentation’s substance, and not merely list the subjects discussed.⁴ More than a one- or two-sentence description of the views and arguments presented is generally required.⁵ We urge parties to use ECFS to file *ex parte* submissions.⁶

GENERAL INFORMATION

The applications for transfer of control of the holders of the licenses and other authorizations referenced herein, upon initial review, have been accepted for filing. The Commission reserves the right to return any application if, upon further examination, it is determined to be defective and not in conformance with the Commission’s rules, regulations, or policies.

Interested parties must file comments or petitions to deny no later than January 19, 2007. Persons and entities that establish their status as parties in interest⁷ in their filings become parties to the proceeding. They may participate fully in the proceeding, including seeking access to any confidential information that may be filed under a protective order, seeking reconsideration of decisions, and filing appeals of a final decision to the courts. Responses or oppositions to such pleadings must be filed no later than February 1, 2007, and replies to such responses or oppositions to comments or petitions to deny must be filed no later than February 13, 2007. All filings concerning matters referenced in this Public Notice should refer to MB Docket No. 06-226, as well as the specific file numbers of the individual applications or other matters to which the filings pertain (unless the filings pertain to all applications).

Under the Commission’s current procedures for the submission of filings and other documents, submissions in this matter may be filed electronically (*i.e.*, through ECFS) or by hand delivery to the Commission’s Massachusetts Avenue location.

- If filed by ECFS, comments shall be sent as an electronic file via the Internet to <http://www.fcc.gov/e-file/ecfs.html>. In completing the transmittal screen, commenters should

CLAUSES:

FIRST. OBJECT.- CCC hereby agrees from the date of this Agreement to provide to GRUPO ACIR the entire need for air time of promotions, programming and advertising sale services for the Station ("Programming"). In recognition of CCC's substantial efforts and expenditures to provide the Programming, GRUPO ACIR hereby agrees, beginning on the Commencement Date (as this term is defined in Clause Sixth below), to broadcast on the Station exclusively the over-the-air promotions, programming and advertising provided by CCC on the terms and conditions set forth herein.

SECOND. DISTRIBUTIONS/PAYMENT TERMS.- As a result of CCC's obligation to provide the Programming to the Station, and GRUPO ACIR's obligation to broadcast the Programming, the parties have agreed to share in the revenue of the Station's operations pursuant to the following rules:

1. The Gross Monthly Revenue of the Station shall be used to pay the Direct Sales and Maintenance Costs and the Operating Expenses of the Station. The Net Monthly Revenue shall be split by half among CCC and GRUPO ACIR.

RM

2. For purposes of this section the following terms shall have the definitions included for each of them as described below:

- a) "Gross Monthly Revenue" shall mean the revenues that are collected by CCC from the advertisers who pay for their respective products and/or services being included in the Programming.
- b) "Direct Sales Costs" shall mean the direct expenses incurred by CCC to be able to promote, cause and obtain final documents to sell advertising time included in the Programming. To this end, only the following concepts shall be accepted as items to form part of Direct Sales Costs: sales commissions, sales supplies and bad debt.

3. For the purposes of this Clause each of CCC and GRUPO ACIR and/or RADIO INTEGRAL will send to each other within the first 5 (five) business days of each calendar month its report for: (a) Direct Sales Costs and Monthly Gross Revenue; and (b) Operating Expenses, respectively. The parties will have a period of 5 (five) business days from the date of delivery of the information (which shall include a list of all bills, invoices or other assessments being included as part of the respective items being calculated) to request any clarification, supporting documents or pose any other questions. If no questions are posed in the time period referred to in this paragraph then CCC shall proceed to apply the calculation mandated by this Clause and distribute to GRUPO ACIR its share of the Net Monthly Revenue within the 10 (ten) business days following the expiration of the second 5 (five) business day term referred to above. Against

AM

any payment made by CCC according to this Clause, GRUPO ACIR shall immediately issue an invoice that meets all applicable tax requirements.

4. Regardless of the lack of initial objection to the contents of the information delivered by each party according to paragraph 3. above, the other party will have the right at its own discretion to ask the other party within the 6 (six) months following the delivery of any report to access all documents supporting the respective calculations made by the party originally submitting the report. A simple notice with at least 2 (two) business days in advance will be required for one party to give access to the other concerning the specific supporting documents for the monthly reports for which a review is being sought. Failure to request any clarification or supporting documents within the time limit set forth in this paragraph will constitute effective and final acceptance by that party of the report prepared by the other party for the relevant period.
5. Any discrepancy or question about the information delivered by the parties according to paragraph 3. above that cannot be settled by senior management officials of each of CCC and GRUPO ACIR, will be subject to the dispute settlement mechanism indicated in this Agreement.

 - a) first, all amounts of Direct Sales Costs shall be repaid to CCC, then;
 - b) second, if any amount is available after repaying all Direct Sales Costs, all amounts of GRUPO ACIR and/or RADIO INTEGRAL Operating Expenses and CCC Operating Expenses shall be paid to GRUPO ACIR and/or RADIO INTEGRAL and CCC on a pro-rata basis; and then
 - c) third, if any amount is available after repaying all Direct Sales Costs, and all GRUPO ACIR and/or RADIO INTEGRAL Operating Expenses and all CCC Operating Expenses, such amount shall be the Net Monthly Revenue to be split by half between CCC and GRUPO ACIR pursuant to Clause Second, paragraph 1.

THIRD. AM

With respect to category (c) insertions, GRUPO ACIR and/or RADIO INTEGRAL shall make their best efforts to make all necessary filings and actions to obtain the necessary consents from the respective Mexican Agencies to: (i) cause such programs to be broadcast during late hours in the evening; (ii) promote the inclusion of programs that have as their content tourism, investment or cultural promotion thus with greater appeal to the general audience of the Station; and/or (iii) in all cases seek for the materials to be included in the English language. GRUPO ACIR and/or RADIO INTEGRAL shall provide 72 (seventy-hours) week prior notice to CCC with respect to any category (c) insertions which shall pre-empt any Programming.
6. The right to use the Programming and to authorize its use in any manner and in any media whatsoever shall be, and shall remain, vested solely in CCC and neither GRUPO ACIR and/or RADIO INTEGRAL nor the Station shall have any rights in the Programming.
7. Based on its own determination of productivity, market requirements and maximizing advertising revenue, CCC shall decide the format to be included in the Programming. Throughout the Term of this Agreement, CCC shall notify GRUPO ACIR and/or RADIO INTEGRAL of any intended change in format. This notice shall be made at least 15 (fifteen) calendar days before any format change. CCC shall give GRUPO ACIR and/or RADIO INTEGRAL an opportunity to advise and consult with CCC on any format change, but CCC shall have final decision making authority on the subject.

FIFTH. STATION'S OPERATIONS. RADIO INTEGRAL is and shall remain the owner of the Station's Equipment. Subject to the qualifications set forth in this Agreement, throughout the Term, GRUPO ACIR and/or RADIO INTEGRAL shall broadcast the Programming over the Station 24 (twenty-four) hours a day, 7 (seven) days a week, except for downtime occasioned by either: (i) emergency maintenance; or (ii) routine maintenance not to exceed 2 (two) hours each Sunday morning between the hours of 12:00AM and 6:00AM, and for preemptions required by Mexican Law when counsel to GRUPO ACIR and/or RADIO INTEGRAL and counsel to CCC agree that such preemptions are so required.

CCC shall be in charge of the Station operating at the maximum power and facilities authorized by the Station Licenses. To the extent practicable, any maintenance work affecting the operation of the Station at maximum power and facilities shall be scheduled upon at least 48 (forty-eight) hours' prior notice with the agreement of GRUPO ACIR and/or RADIO INTEGRAL, such agreement not to be unreasonably withheld.

SIXTH. PREPARATION OF FACILITIES/CONDITIONS FOR VALIDITY.- In order to obtain the type of quality and signal strength required for the proper operation of the Station, the parties have agreed to perform the following actions:

1. CCC will purchase and install at its own cost the radio broadcasting plant and equipment that is described in Exhibit "C" hereof (the "Upgrading Equipment"). The Upgrading Equipment will remain the property of CCC during the entire Term of this Agreement. However, whenever this Agreement expires (for a cause other than GRUPO ACIR's and/or RADIO INTEGRAL's breach in which case CCC will have the option but not the obligation to grant it the purchase option described herein) RADIO INTEGRAL shall have the option to purchase the Upgrading Equipment at its then fair market value (considering the use and condition of the equipment). Notwithstanding the installation of the Upgrading Equipment, RADIO INTEGRAL shall leave the Station's Equipment at the Station to be used as back-up for the Upgrading Equipment at the Station.
2. During the entire Term of this Agreement CCC shall be fully responsible to provide proper maintenance and care to the Station's Equipment and the Upgrading Equipment. A weekly log book of the maintenance and/or corrective actions shall be timely kept and at all times available for RADIO INTEGRAL's review. Any significant problems that CCC determines or encounters in the respective equipment must be immediately reported to RADIO INTEGRAL.
3. CCC shall at its own cost build, install and complete auxiliary studios and booths at El Paso, Texas to allow for the signals for the Programming to be originating from such location ("El Paso Facilities"). It is intended that the El Paso Facilities be used as the primary source for live content in the Programming. The El Paso Facilities shall at all times be and remain the property of CCC, even after expiration of this Agreement.
4. Both parties shall coordinate their efforts in order to obtain all permits required to obtain the frequencies for the microwave satellite to transmitter link ("STL"), including any approvals thereof, between the Station and the El Paso Facilities, necessary to transmit feeds from the United States to the Station.

RM

5. The parties hereby expressly recognize that the effectiveness of this Agreement shall be subject to: (a) the Upgrading Equipment being fully installed and operational; (b) the El Paso Facilities being fully built and operational; and (c) the STL being fully authorized and ready to use. The date in which the three items indicated in this paragraph (the "Operational Items") are complied with will be designated as the Commencement Date for purposes of Clause Third above.
6. The parties expressly agree that if the Operational Items are not ready and in place by 90 (ninety) calendar days from the date of this Agreement, then, unless that date is extended by both parties, this Agreement shall automatically expire without the need for a judicial declaration and without any further liability for any party.

SEVENTH. RIGHT OF ACCESS.- CCC and CCC's employees or agents shall at all times be afforded access to the Station, Station's Equipment and Upgrading Equipment in order to coordinate the maintenance of the Station's Equipment and the Upgrading Equipment and the delivery and transmissions of the Programming for broadcast by RADIO INTEGRAL over the Station's Equipment. CCC shall have the right to install at RADIO INTEGRAL's and/or CCC's premises, and to maintain throughout the Term of this Agreement at CCC's expense, any microwave studio/transmitter relay equipment, earth station equipment, telephone lines, transmitter remote control, monitoring devices or any other equipment necessary for the proper delivery of the Programming to the Station's Equipment pursuant to the STL that is obtained based on applications with the Mexican Agency and/or the FCC to effectuate such proper delivery. Whenever on the premises of the Station or Station's Equipment, CCC and its employees and agents shall be subject to the supervision and direction of GRUPO ACIR's and/or RADIO INTEGRAL's designated employee or agent.

EIGHTH. FORCE MAJEURE.- Any failure or impairment of facilities or any delay or interruption in broadcasting the Programming over the Station, or failure at any time to furnish facilities, in whole or in part, for broadcasting, due to acts of God, strikes or threats thereof, force majeure, or causes beyond the control of CCC, GRUPO ACIR and/or RADIO INTEGRAL, shall not constitute a breach of this Agreement, and GRUPO ACIR and/or RADIO INTEGRAL shall not be liable to CCC except to the extent that: (a) CCC shall be allowed in each such case an appropriate credit for Programming not broadcast on the Station based upon a pro-rata adjustment of amounts due as specified in Clause Second hereof calculated upon the length of time during which the failure or impairment exists or continues; and (b) in no event shall any amount of GRUPO ACIR and/or RADIO INTEGRAL Operating Expenses be included in the calculation specified in Clause Second for such length of time during which the failure or impairment exists or continues.

RM

In such event, CCC shall complete such repair as necessary to restore full-time operation of such Station with its maximum authorized facilities within 7 (seven) calendar days from the occurrence of such failure or impairment of facilities.

NINTH. CONTROL OF STATION.- Anything to the contrary herein notwithstanding, GRUPO ACIR and/or RADIO INTEGRAL shall have and shall retain full authority, control and power over the operation of the Station and the Station's Facilities during the Term of this Agreement. GRUPO ACIR and/or RADIO INTEGRAL shall be responsible for ensuring that Mexican Law and Mexican Agency requirements are met, including, without limitation, staffing requirements. CCC shall, upon request by GRUPO ACIR and/or RADIO INTEGRAL, provide GRUPO ACIR and/or RADIO INTEGRAL with information to enable GRUPO ACIR and/or RADIO INTEGRAL to prepare records, filings, notices and logs required by Mexican Law.

TENTH. EMPLOYMENT.- As far as employment issues are concerned, the parties agree to abide by the following rules:

1. Responsibility for Employees and Expenses: CCC shall employ technical staff necessary to operate the Station's Equipment (the "Technical Employees") and shall be responsible for the salaries, taxes, insurance and related costs for such Technical Employees. Whenever on the premises of the Station or Station's Equipment, all CCC personnel shall be subject to the supervision and the direction of RADIO INTEGRAL's designated personnel. Furthermore, CCC shall employ and be responsible for the salaries, taxes, insurance and related costs for all personnel used in the production of the Programming (including, without limitation, promotions, sales, traffic and programming personnel). Without prejudice to the rules for distributions included in Clause Second above, CCC shall pay for all telephone calls associated with promotions, programming, sales and listener responses related to the Programming, for all fees to ASCAP, BMI and SESAC related to the Programming, and for any other copyright fees attributable to the Station's operations during the Term.
2. Status of GRUPO ACIR and/or RADIO INTEGRAL Employees. CCC shall have no obligation to employ any of the GRUPO ACIR's and/or RADIO INTEGRAL's employees. GRUPO ACIR and/or RADIO INTEGRAL represent that no employment agreement, collective bargaining agreement, employee benefit plan or other employment-related obligation covering any of its employees will impose any liability on CCC, and GRUPO ACIR and/or RADIO INTEGRAL will indemnify CCC for any losses due to any such obligation. GRUPO ACIR and/or RADIO INTEGRAL acknowledge and agree to be solely responsible for any and all wages, compensation, commission, bonuses, severance pay, insurance, supplemental pension, deferred compensation, retirement and any other benefits, premiums and claims due, to become due, committed, accrued, or

RM

otherwise promised to any person who is a retiree, former employee, or current employee of GRUPO ACIR and/or RADIO INTEGRAL, and GRUPO ACIR and/or RADIO INTEGRAL will indemnify CCC for any losses due to any such obligations.

3. Announcement to Employees. Neither party shall announce the fact of this Agreement to its employees before the Commencement Date. After the Commencement Date, any announcement must be coordinated and agreed upon in advance in writing by both parties.

ELEVENTH. INDEMNIFICATION.- CCC shall indemnify and hold GRUPO ACIR and/or RADIO INTEGRAL and its stockholders, directors, officers, agents, employees, successors, and assigns harmless from and against any and all claims, expenses, causes of action and liability resulting from or relating to: (i) the broadcast of Programming performed during the Term; (ii) any and all of the CCC's promotions, contests and on-air "giveaways" relating to the Station during the Term; and (iii) all other matters arising out of or related to CCC's activities involving the Station.

GRUPO ACIR and/or RADIO INTEGRAL agrees to indemnify, defend, and hold harmless CCC and its stockholders, directors, officers, agents, employees, successors, lenders' warrant holders, and assigns from and against any and all liability arising out of: (i) material broadcast by GRUPO ACIR and/or RADIO INTEGRAL other than the Programming; (ii) liabilities that arise as a result of GRUPO ACIR's and/or RADIO INTEGRAL's alteration of any and/or all Programming prior to broadcast by GRUPO ACIR and/or RADIO INTEGRAL; (iii) any sanctions, fines or other penalties imposed by Mexican Agencies as a result of any failure by the Station to comply with applicable legal requirements, except for the technical operation of the Station because this will be under CCC's control; and/or (iv) all liabilities and obligations of GRUPO ACIR and/or RADIO INTEGRAL, including but not limited to the obligation to assume, perform, satisfy, or pay any liability, obligation, agreement, debt, charge, claim judgment, or expense incurred by or asserted against RADIO INTEGRAL related to taxes, environmental matters, pension or retirement plans or trusts, profit-sharing plans, employment contracts, employee benefits, severance of employees, product liability or warranty, negligence, contract breach or default, copyright, trademarks, service mark, trade name or other intellectual property, or other obligations, claims, or judgments asserted against CCC as successor in interest to GRUPO ACIR and/or RADIO INTEGRAL. CCC's and GRUPO ACIR's and/or RADIO INTEGRAL's obligations to hold the other harmless against the liabilities specified above shall survive any termination of this Agreement until the expiration of all applicable statutes of limitation.

RM

TWELFTH. EVENTS OF DEFAULT/TERMINATION.- Regarding possible events of default and termination of this Agreement, the parties agree to abide by the following rules:

1. Events of Default: The following shall, after the expiration of the applicable cure periods, constitute Events of Default under this Agreement:
 - a) Default in Making Distributions: CCC's failure timely to pay the distributions provided for in Clause Second hereof which is not cured within 10 (ten) business days following notice in accordance with paragraph 2. below.
 - b) Default in Broadcasting Programming: GRUPO ACIR's and/or RADIO INTEGRAL's failure to broadcast over the Station Programming supplied by CCC at the times requested by CCC if not cured within 48 (forty-eight) hours of such failure, except for failure subject to Clause Eighth above, and except for preemptions required by Mexican Law when counsel to GRUPO ACIR and/or RADIO INTEGRAL and counsel to CCC agree that such preemptions are so required.
 - c) Default in Covenants or Adverse Legal Action: The material default by any party hereto in the observance or performance of any covenant, condition or agreement contained herein which is not cured within 5 (five) business days following notice or: (a) any party's making a general assignment for the benefit of creditors; (b) any party's filing or having filed against it a petition for bankruptcy, suspension of payments, for reorganization or an arrangement for the appointment of a receiver, trustee or similar creditors' representative for the property or assets of such party under any federal or state insolvency law, which, if filed against such party, has not been dismissed or discharged within 60 (sixty) calendar days thereof; or (c) specifically and without limitation, if GRUPO ACIR's and/or RADIO INTEGRAL's permitted successors and assigns refuse to abide by or terminate this Agreement during the Term of this Agreement;
 - d) Breach of Representation: If any representation or warranty herein made by either party hereto, or if any certificate or document furnished by either party to the other pursuant to the provisions hereof, shall prove to have been false or misleading in any material respect as of the time made or furnished and is not cured within 20 (twenty) business days following notice in accordance with paragraph 2. below.

RM

2. Cure Periods: An Event of Default shall not be deemed to have occurred until after the non-defaulting party has provided the defaulting party with written notice specifying the event or events that if not cured would constitute an Event of Default and specifying the action necessary to cure within the relevant cure period. The Event of Default shall not be deemed to have occurred if actions necessary to cure are taken, and if the cure is entirely completed, during the relevant cure period.

4. Challenge: Unless this Agreement first terminates pursuant to Clauses Third, Eighth or Twelfth, if this Agreement is challenged in whole or in part in any administrative or judicial forum by any non-party, counsel for the GRUPO ACIR and/or RADIO INTEGRAL and counsel for CCC shall jointly defend the Agreement and the parties' performance thereunder throughout all such proceedings. "Additional Fee," as used herein, shall mean fifty percent (50%) of those amounts in excess of the first _____ of Net Operating Income (hereinafter defined) generated by the Station. "Net Operating Income" of the Station, as used herein, shall mean the cash remaining after deducting operating expenses from the Station's gross income with such deductions to include, without limitation, the payments of the monthly amounts noted above. For the avoidance of doubt, the following examples are provided to assist in the calculation of the Additional Fee: (i) in the event _____ of Net Operating Income is generated by the Station during calendar year 2006, then on or before January 31st, 2007, CCC shall pay Grupo Acir _____ that is, 50% of said being the amount in excess of the first _____ of the Station's 2006 Net Operating Income; and (ii) in the event _____ or less of Net Operating Income is generated by the Station during calendar year 2006, then no Additional Fee will be due and owing to Grupo Acir for such calendar year.

The parties further agree that in the event CCC exercises its rights to renew this Agreement for any additional periods, the payment described above shall, on January 1st of each of such additional periods, be increased pursuant to the express terms of Section 3 herein."

2. Section 3 of the Original Programming Agreement is hereby deleted in its entirety and replaced with the following:

"**THIRD. TERM.** The term of this Agreement shall begin on the Commencement Date (as that term is defined in Section Six below) and end on the earlier of: (a) December 31, 2008; (b) at CCC's option, on or immediately after the effective date that any court or competent jurisdiction or any governmental or regulatory authority issues any order, decree, or ruling or takes any other action restraining, enjoining, or otherwise prohibiting or rendering inadvisable or undesirable (in the opinion of CCC) the compliance with any aspect or provision of this Agreement, including but not limited to the possibility of broadcasting the Programming on the Station; or (c) upon any termination pursuant to Section Twelve of this Agreement (such date hereinafter referred to as the "Termination Date"; and such period of time as the "Term").

Anything to the contrary herein notwithstanding, CCC shall have the exclusive option to renew this Agreement for three (3) additional periods of three (3) years each, on January 1, 2009, January 1, 2012, and January 1, 2015, on the same terms and conditions set forth herein, subject to the following: (i) CCC shall provide Grupo Acir and Radio Integral no less than six (6) months' prior notice of its intention to seek a renewal of this Agreement, (ii) CCC's payment obligations during any such renewal period(s) shall be modified to reflect then current market conditions, (iii) CCC, Grupo Acir and Radio Integral shall negotiate in good faith to reach agreement on such new payment terms, and (iv) the payments to be made by CCC during any such renewal periods shall in no event increase by less than three percent (3%) nor greater than seven percent (7%) over the amounts paid in the immediately preceding calendar year. The exercise of these renewal options will only require that CCC deliver a notice to Grupo Acir before the expiration of the then current term."

3. All terms referred to herein and not otherwise defined herein shall have the meaning provided to such terms in the Original Programming Agreement.

4. This Agreement shall in all respects be governed by and construed in accordance with the laws of Mexico applicable to agreements made to be performed entirely or partially within such country, without prejudice to the conflict of laws principles of such country.

5. This Agreement may be signed in both English and Spanish versions. In the case of any inconsistency between them, the Spanish version shall always prevail.

6. Each party to this Agreement represents and warrants that (i) it has the power and authority to enter into and perform this Agreement and consummate the transactions contemplated hereby, and (ii) that the execution, delivery and performance of this Agreement have been duly and validly authorized by all necessary actions of such party.

7. The terms of the Original Programming Agreement, as expressly modified herein, shall remain in full force and effect.
