**Re: Application for Authority to Deliver Programs to  
Foreign Broadcast Stations XTRA-FM, XHTZ-FM, and XHRM-FM**

Dear Sir or Madam:

Local Media San Diego, LLC (“LMSD”), by its attorneys, hereby submits the instant application for authority from the Federal Communications Commission (“FCC” or “Commission”) to deliver programming to XTRA-FM, 91.1 MHz; XHTZ-FM, 90.3 MHz; and XHRM-FM, 92.5 MHz (collectively, “Stations”) following the change in control of LMSD as described herein.<sup>1</sup>

LMSD holds a 325(c) permit to deliver programming to the Stations initially granted by the Commission on February 19, 2010, and most recently renewed on March 11, 2015 (“Current Authorization”). LMSD presently is a wholly-owned subsidiary of Local Media of America Holdings, LLC (“Local Media”). Pursuant to a Unit Purchase Agreement dated November 27, 2018, Local Media San Diego Holdings, LLC (“LMSD Holdings”) agreed to purchase from Local Media all of the outstanding membership units of LMSD (“Transaction”). The Unit Purchase Agreement obligates the parties to close the Transaction no later than December 31, 2018. Upon consummation of the Transaction, LMSD will become a wholly-owned subsidiary of LMSD Holdings. There will be no changes in the nature of the programming presently delivered to the Stations or the means by which such programming currently is delivered to the Stations as a result of the Transaction.

LMSD respectfully requests the expeditious processing of the instant Application. To the extent necessary, LMSD requests that the Commission refrain from terminating the Current Authorization until LMSD notifies it that the Transaction has been consummated.

<sup>1</sup> The Application is being submitted electronically as a non-docketed filing. See International and Satellite Services Fee Filing Guide (Sept. 4, 2018); Public Notice, DA 14-1838 (Dec. 16, 2014).
