**Re: The CW Network, LLC
Request for Special Temporary Authority to Deliver Programs to Foreign
Broadcast Station**

Dear Ms. Dortch:

On July 9, 2008, The CW Network, LLC ("The CW") filed a request via the Commission's lockbox in St. Louis, Missouri for special temporary authority ("STA") in order to deliver its widely-viewed television programs electronically to XETV(TV and -DT), Tijuana, Baja California, Mexico for broadcast into the United States beginning on August 1, 2008 (the "July 9 STA Request"). By return correspondence, the Commission informed counsel for The CW that no fee was necessary associated with the July 9 STA Request. Accordingly, by this letter, the July 9 STA Request is being officially re-filed with the Office of the Commission's Secretary in Washington, DC. It should be noted that members of the Commission's International Bureau staff familiar with the July 9 STA Request (and the underlying application on FCC Form 308 for a five-year permit to deliver CW programming to XETV (FCC File No. 325-NEW-20080703-00004)) were provided with courtesy copies of the original July 9 STA Request via e-mail on the date that it was first filed at the Commission.

Attached is a copy of the July 9 STA Request as was originally filed at the Commission's lockbox in St. Louis. Should there be any questions regarding this matter, please contact the undersigned directly.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mark B. Denbo', written over the word 'Sincerely'.
