Ken,

In response to your inquiry regarding Palau, Micronesia and Marshall Islands, I believe the only missing information is the affidavits. I was unable to submit the affidavits electronically on the IBFS system so I am attaching them to this email.

As I previously mentioned, I have been having a lot of difficulty electronically submitting affidavits (as attachments to the accounting rate filings) on the IBFS system. I have brought this up to the IBFS help line as well but have not heard back.

Please call me if there are any other outstanding issues with these accounting rate filings.
