Subject: Concert - Accounting Rate with VSNL in India

Mr. Sillett,

Concert Global Network Services Limited filed an accounting rate change on  
September 18 (ARC-MOD-20000918-00151, Submission ID # IB2000000732) with  
VSNL in India. The filing shows a new rate of \$0.85 effective 4/1/2001, and  
expiring 3/31/2001, the day before it was to have taken effect.

Please confirm the correct effective and expiring dates. We assume the  
effective date is 4/1/2000, expiring 3/31/2001.

Thank you for your assistance.
