

Description of Consummation

On March 12, 2013, the Commission consented to the applications (“Applications”) of Deutsche Telekom AG (“DT”), T-Mobile USA, Inc. (“T-Mobile USA”), and MetroPCS Communications, Inc. (“MetroPCS” and collectively with DT and T-Mobile USA, the “Applicants”) to transfer control of licenses, leases, and authorizations to a newly combined entity (“Newco”).¹ The transaction closed on April 30, 2013.

Contemporaneously with the closing of the transaction, and as indicated in the Public Interest Statement,² MetroPCS Inc., a direct wholly-owned subsidiary of MetroPCS, merged with and into MetroPCS Wireless, Inc. (“MetroPCS Wireless”), with MetroPCS Wireless as the surviving corporation.³ Immediately thereafter, MetroPCS Wireless merged with and into T-Mobile USA. Notifications will be filed separately for the *pro forma* assignment of licenses held by MetroPCS Wireless.

¹ *Applications of Deutsche Telekom AG, T-Mobile USA, Inc., and MetroPCS Communications, Inc. For Consent to Transfer of Control of Licenses and Authorizations*, Memorandum Opinion and Order and Declaratory Ruling, DA 13-384 (WTB/IB March 12, 2013) (“*T-Mobile USA/MetroPCS Order*”).

² *See* Deutsche Telekom AG Application, ULS File No. 0005446627, Exhibit 1, Description of Transaction and Public Interest Statement at 4 n.8 (“Public Interest Statement”).

³ Immediately prior to merging into MetroPCS Wireless, MetroPCS Inc. converted to a limited liability company.

Second Signature

The internal governance policies of transferee, Deutsche Telekom AG (“DT”), require the signatures of two legal representatives of DT to legally bind the company. Wolfgang Kopf, Senior Vice President – Public and Regulatory Affairs, is signing this FCC form on behalf of DT. Because the form provides for only one signature, the Applicants have attached this exhibit so as to include a second “CERTIFICATION” section for DT containing the certification and signature of Volker Stapper, Vice President International Competition and Media Policy.
