Dear Sir/Madame:

This letter shall serve as notification of the consummation of the transaction on July 25, 2014, whereby DP11 Holdings LLC purchased 100 percent of the outstanding stock of Rockwell Collins Satellite Communications Systems, Inc. ("RCSCS") from Rockwell Collins Inc. RCSCS became a wholly owned subsidiary of DP11 Holdings LLC. As a result, the transaction resulted in a transfer of control of the Federal Communications Commission ("FCC") licenses held by RCSCS from Rockwell Collins Inc. to DP11 Holdings LLC including the international Section 214 authority to provide global facilities-based service and global resale service (initial authorization IB File No. ITC-214-19980713-000476). The transfer of control application was placed on Public Notice on June 20, 2014 and the FCC granted authority for the transfer of control on July 4, 2014 (IB File No. ITC-T/C-20140612-00177).

This letter shall also serve as notification that one of the six investors in DP11 Holdings LLC who were expected to hold the initial Class A membership interests, Salem Halifax Capital Partners, identified in the transfer of control application, dropped out of the investor group at the closing. Consequently, the ownership interest of each of the greater than ten percent Class A investors Triangle Mezzanine Fund II LP<sup>1</sup>, Petra Growth Fund III, LP<sup>2</sup>, Convergent Capital Partners III, L.P.<sup>3</sup>, and Banyan Mezzanine Fund II, L.P.<sup>4</sup> increased to 23.07 percent.

Please contact me at the above number or email address or telephone number if you have further questions.
