Dear Sir/Madam:

I am forwarding two (2) attachments to the above-referenced FCN that was filed electronically by Globalstar USA, Inc. on October 2, 2000. Pursuant to a telephone conversation with Jacqueline Ponti, FCC, it was discovered that for some technical reason the attachments to the FCN that were uploaded on October 2, 2000 did not make it to the FCC with the electronically-filed notification. Accordingly, per Ms. Ponti's instruction, I am forwarding Attachments 1 and 2 in a .pdf format to be associated with the FCN.

Please contact me if you have questions.

Sincerely,

Billy Layton
