Re: Supplement to Foreign Carrier Notices of Affiliation

Dear Ms. Ekblad:

As requested during our telephone conversation of October 30, 2007, I am writing to provide information concerning the ownership of the shares of TeliaSonera International Carrier, Inc. ("TeliaSonera"). As discussed, one hundred percent (100%) of the shares of TeliaSonera are owned by TeliaSonera AB of Sweden. In turn, TeliaSonera AB of Sweden has two shareholders with greater than a ten percent interest. First, the Government of Sweden located in Stockholm, Sweden currently holds a thirty seven percent (37.3%) interest in TeliaSonera AB. Second, the Government of Finland located in Helsinki, Finland owns an almost fourteen percent (13.7%) interest in TeliaSonera AB.

Please let me know if you will need any additional information.

Sincerely,

Brian McHugh
