Foreign Carrier Affiliation Notification

Pursuant to Section 63.11 of the Commission’s rules, StarHub, Inc. (“StarHub”) hereby submits this foreign carrier affiliation notification, relating to an affiliation with the following three foreign carriers: eircom Limited (“eircom”) and Meteor Mobile Communications Ltd. (“Meteor”) in Ireland, and eircom UK Limited (“eircom UK”) in the United Kingdom. StarHub became affiliated with these foreign carriers as a result of a recent transaction by which its indirect shareholder, Singapore Technologies Telemedia Pte Ltd (“ST Telemedia”), acquired control of eircom, Meteor, and eircom UK.¹ That transaction was consummated on January 4, 2010.²

Answers to Questions 12 and 16

Ireland and the United Kingdom are World Trade Organization (“WTO”) Member countries. eircom and Meteor own facilities in Ireland; eircom UK owns facilities in the United Kingdom.

With respect to the U.S.-United Kingdom route, StarHub presumptively qualifies for non-dominant classification pursuant to Section 63.10(a)(3) of the Commission’s rules. eircom UK lacks a 50 percent market share in the United Kingdom and is not listed on the Commission’s List of Foreign Telecommunications Carriers That Are Presumed to Possess Market Power in Foreign Telecommunications Markets.³

With respect to the U.S.-Ireland route, Meteor lacks a 50 percent market share in Ireland and is not listed on the Commission’s List of Foreign Telecommunications Carriers That Are Presumed to Possess Market Power in Foreign Telecommunications Markets.⁴ However, the

As stated in the application submitted in connection with that transaction, ST Telemedia acquired “control” of certain entities solely as that term is understood for purposes of the applicable rules and practices of the Commission. With this notification, StarHub makes no representations as to whether ST Telemedia possesses control of these foreign carriers for any other purpose or under any other U.S. or foreign laws (including but not limited to the applicable tax regulations and accounting standards).

Commission presumes eircom to be dominant in Ireland.⁵ StarHub agrees that, with respect to the U.S.-Ireland route, and in the event it provides service on that route, it will comply with the dominant carrier safeguards contained in Section 63.10 of the Commission's rules, subject to possible reclassification at a later date.⁶

Accordingly, the instant notification is eligible for the post-consummation notification procedures pursuant to Section 63.11(b) of the Commission's rules.

Answer to Question 21

StarHub has no interlocking directorates with eircom, Meteor, or eircom UK. Three directors of StarHub Ltd.—Tan Guong Ching (Chairman), Lee Theng Kiat, and Steven Terrell Clontz—are also directors of eircom. In addition, Stephen Geoffrey Miller is an alternate to Lee Theng Kiat on the boards of StarHub Ltd. and eircom. There are no other interlocking directorates.

⁷ Temasek also holds indirect interests in StarHub Ltd. through DBS Group Holdings Limited, Fullerton Fund Management Company Ltd, and MediaCorp Pte. Ltd., which collectively are less than 10 percent.
