Foreign Carrier Affiliation Notification

Pursuant to Section 63.11 of the Commission's rules, AT&T Mobility LLC hereby submits on behalf of its subsidiaries and other affiliates that hold international Section 214 authorizations (collectively referred to as "AT&T Mobility" or "the Applicants")¹ this foreign carrier affiliation notification to update the Commission's records concerning its affiliations with carriers in Japan.

Answer to Question 10

This notification does not result from an acquisition. AT&T Mobility submits this notification to update the Commission's records to include AT&T Japan LLC as one of its foreign carrier affiliates in Japan. AT&T Japan LLC holds a notification license authorizing the provision of resold telecommunications services, but makes all customer sales through its wholly owned subsidiary, AT&T Japan KK (formerly AT&T Global Network Services Japan KK), which also holds a notification license authorizing the provision of resold telecommunications services. AT&T Japan LLC will shortly begin contracting directly with customers, and AT&T Japan KK will cease all sales activities.
