Foreign Carrier Affiliation Notification

Puerto Rico Telephone Company, Inc. (“PRTC”) hereby submits this foreign carrier affiliation notification.

Response to Question 12(b)

PRTC certifies that its affiliate, Digicel Honduras S.A. de C.V. (“Digicel Honduras”), is a provider of wireless telecommunications and value added services in Honduras. Digicel Honduras is a foreign carrier, as defined in Section 63.09(d), and owns facilities in its destination market.

Response to Question 12(c)

PRTC certifies that its affiliate, Digicel Honduras, is authorized to operate in Honduras, a WTO member country. PRTC further certifies that it is authorized to retain non-dominant classification on the U.S.-Honduras route pursuant to Section 63.10(a)(3) of the Rules, 47 C.F.R. § 63.10(a)(3). Digicel Honduras does not control bottleneck facilities or have a fifty percent or greater market share in the international transport and the local access markets in Honduras. In addition, the Commission has determined that mobile wireless service providers lack sufficient market power to affect competition adversely in the U.S. market.¹ Moreover, the Commission’s List of Foreign Carriers that are Presumed to Possess Market Power in Foreign Communications Markets lists Empresa Hondureña de Telecomunicaciones (HONDUTEL) as the only Honduran company presumed to have market power.² Based on all of these factors, PRTC is entitled to non-dominant status on the U.S.-Honduras route.

Response to Question 16

PRTC requests non-dominant treatment on the U.S.-Honduras route. See Response to Question 12(c) above.

Response to Question 17

Digicel Honduras is a telecommunications carrier providing wireless and value added services in Honduras, as specified in Response to Question 12(b) above.
