Foreign Carrier Affiliation Notification**

Sprint Communications, Inc. (“Sprint Communications”) hereby submits this Foreign Carrier Affiliation Notification (“FCAN”) pursuant to Section 63.11 of the Federal Communications Commission’s (“FCC”) Rules, 47 C.F.R. § 63.11. On July 1, 2020 Deutsche Telekom AG (“DT”), Sprint Communications’ ultimate parent company, reorganized its operations. This internal reorganization resulted in the creation of several new foreign carrier affiliates. DT also changed the names of certain existing affiliates. In addition, several prior foreign carrier affiliates were eliminated. As a result, Sprint Communications is taking this opportunity to provide an updated list of all of its current foreign carrier affiliations (see Attachment 2). None of the foreign carrier affiliates identified in Attachment 2 are subsidiaries of Sprint Communications. Rather, all carriers listed are direct or indirect subsidiaries of its ultimate parent company, DT.

Answer to Questions 12 and 16:

The new foreign carrier affiliates are all enterprise customer service providers which may own Internet or related equipment to provide enterprise services. None of the new foreign carrier affiliates listed in Attachment 2 is a monopoly provider of communications services in the market in which it operates, nor do any of these new affiliates have a fifty percent or greater market share in the international transport and local access markets in the listed country.

Answer to Question 17:
