Adventist Broadcasting Service, Inc,

This is in reference to your request for a Frequency-Hour Authorization for the October 25, 2026 - March 28, 2027 High Frequency Broadcast Schedule for International Broadcast Station KSDA.

Authorized in-band frequencies are listed in Appendix 1 and out-of-band frequencies are listed in Appendix 2. The out-of-band frequencies listed in Appendix 2 are authorized on a non-interference basis only.

This Frequency Authorization shall be considered an attachment to the License of International Broadcast Station KSDA (File No: IHF-RWL-20201030-00006). This Authorization sets forth the conditions under which the station shall conduct all private broadcast operations pursuant to the terms of its license.

Requests for superseding Frequency Authorization and/or changes therein shall be filed in accordance with Section 73.702 of the Commission's Rules governing International Broadcasting Stations. Additionally, testing and maintaining equipment is permitted during the periods of transmission that are herein specified.

Sincerely,

Shawna Prebble
