Consent to Transfer Control of Telemetrix Inc., and its Wholly-Owned
Subsidiary, Tracy Corporation II

Dear Madam Secretary:

At the request of Mr. Francis Gutierrez, Policy Division, International Bureau, Federal Communications Commission, we are transmitting herewith in paper form a copy of the Application (FCC Form 603) as supplemented for Commission consent to transfer control of Telemetrix Inc. ("Telemetrix") and its wholly-owned subsidiary, Tracy Corporation II, licensee of wireless stations in the commercial mobile radio service ("CMRS"), including personal communications services ("PCS"), and one-way paging service. The Commission has assigned File No. 0002156736 to the Application.

Applicant previously filed this Application electronically, which the Commission accepted. Subsequently, Applicant submitted a supplement at the request of the Policy Division, International Bureau, but the Commission's electronic filing system has been unable to accept the supplement. Accordingly, the Policy Division, International Bureau, and specifically Mr. Francis Gutierrez, requested Applicant to file a paper copy of the Application and Supplement with your office.

We would appreciate it if your office would stamp the enclosed "Stamp and Receive" copy with the official receipt stamp of the Office of the Secretary and return it to the undersigned in the enclosed UPS prepaid overnight courier envelope.
