Supplemental Information Regarding Ownership

Dear Ms. Dortch:

VIZADA Services LLC ("VIZADA," formerly FTMSC US, LLC), by its attorneys and pursuant to Section 1.65 of the Commission's Rules, 47 C.F.R. § 1.65, hereby supplements the record in the above-referenced proceedings to provide information regarding minor changes in VIZADA's ultimate ownership.

In previous submissions in this proceeding, VIZADA provided information regarding MobSat Management Sàrl ("MobSat Management"), a company that holds an indirect minority interest in VIZADA and was created for the purpose of providing an investment vehicle for individuals involved in the management of VIZADA and its affiliates.¹ VIZADA also advised the Commission regarding the names and citizenship of the individuals to whom the MobSat Management shares were initially distributed.²

¹ See Letter of Peter A. Rohrbach to Marlene H. Dortch, IB Dkt No. 06-225, File Nos. ITC-AMD-20060804-00288, *et al.*, dated October 5, 2007 at 2-3. See also Letter of Karis A. Hastings to Marlene H. Dortch, IB Dkt No. 06-225, File Nos. ITC-AMD-20060804-00288, *et al.*, dated September 4, 2007.

² See Letter from Karis A. Hastings, Counsel for VIZADA Services LLC, to Marlene H. Dortch, Secretary, Federal Communications Commission, File Nos. ITC-AMD-20060804-00288, SES-AMD-20060804-01315, ITC-STA-20071213-00507, SES-STA-20071214-01699, & ISP-PDR-20060804-00010 (filed Feb. 13, 2008) ("February 13 Letter").

Subsequent to filing of the February 13 Letter, changes have occurred in the holdings of the individuals identified in that letter. As a result, the following individuals now hold a total of 73.1% of the shares of MobSat Management:

Name	Citizenship	% Interest
Stein Anderssen	Norway	8.61
Bob Baker	U.S.	4.43
Erik Ceuppens	Belgium	8.34
Bruno Ducharme	Canada	6.95
Soren Einshoj	Norway	10.43
Mark Ellison	U.K.	6.26
Marck Grandpierre	France	4.17
Tore Morten Olsen	Norway	8.61
Fabien Redon	France	4.17
Freek Tempelaar	Netherlands	4.17
Stefano Vittor	Norway	6.95

Total: 73.09

These investors, collectively, are designated in the attached ownership chart as “Other MobSat Management Shareholders.”³ The remaining shares of MobSat Management representing a 26.9% interest in the company continue to be held by Apax France VI FCPR (“Apax France”) and Altamir Amboise SCA (“Altamir Amboise”) in reserve to be available for future purchases by individuals.⁴ As depicted on the ownership chart, the reserve shares held by Apax France represent a 19.4% interest in MobSat Management, and the reserve shares held by Altamir Amboise represent a 7.5% interest in MobSat Management.⁵

The February 13 Letter also notified the Commission regarding acquisition of minor interests in MobSat Group Holding by individuals and a family trust. February 13 Letter at 3. In addition to the interests previously reported, VIZADA advises the Commission that Mr. Bertrand Pivin, a French citizen who is a partner in Apax France, and Mobsat Gérance Sàrl

³ All of the individuals listed are involved in the management of VIZADA and its affiliates with the exception of Mr. Bruno Ducharme, who is a private investor.

⁴ Mr. Morten Tengs, who was identified as a shareholder of MobSat Management in the February 13 Letter, has recently resigned from his management position. As a result, his shares are being repurchased and are included in the reserve shares held by Apax France and Altamir Amboise in the calculations herein.

⁵ The distribution of additional shares of MobSat Management to individuals has decreased the total interest held by Apax France and Altamir Amboise in VIZADA’s ultimate parent, MobSat Group Holding Sàrl (“MobSat Group Holding”). Specifically, Apax France now holds a total interest of 53.7% in MobSat Group Holding, directly holding 51.9% and indirectly holding the remainder through its interest in MobSat Management. Altamir Amboise now holds a total interest of 20.9% in MobSat Group Holding, directly holding 20.2% and indirectly holding the remainder through its interest in MobSat Management.

each own one share of MobSat Group Holding, representing 0.00013% of the share capital. Because these interests are so small, they are not reflected on the attached ownership chart.⁶

Please refer any questions regarding this matter to the undersigned.

Respectfully submitted,

⁶ The chart depicts the VIZADA ownership chain as including VIZADA AS. As VIZADA has advised the Commission, a *pro forma* restructuring that would result in re-insertion of VIZADA AS into VIZADA's ownership chain is planned. See Letter from Karis A. Hastings, Counsel for VIZADA Services LLC, to Marlene H. Dortch, Secretary, Federal Communications Commission, File Nos.
