

Exhibit 3: Clarification of Exhibit 1

Including his deemed beneficial ownership through a family trust, Michael Ah Koy holds a 10.1% indirect ownership interest in the filer. This interest is included as part of the 30.5% ownership interest listed for Datec Shareholders shown in Exhibit 1. Harley L. Rollins holds a 0.7% (seven-tenths of a percent) indirect ownership interest in the filer and is included as part of the 16% ownership interest listed for “Other” Shareholders shown in Exhibit 1. An amended Exhibit 1 is being submitted to qualify footnote 2 to reflect that Michael Ah Koy’s indirect ownership interest in the filer (including his deemed beneficial ownership) has increased from slightly under 10% to 10.1%.
