Re: ISP-PDR-20070214-00005

Dear Ms. Dortch:

Earlier this year, Teltranet LLC submitted a Petition for Declaratory Ruling that Teltranet Licenses LLC's (collectively with Teltranet LLC, "Teltranet") indirect foreign ownership is consistent with the public interest standard established by Section 310(b)(4) of the Communications Act of 1934, as amended. Pursuant to the request of FCC staff, this letter is submitted to confirm the following information regarding Teltranet's ownership:

- Horizon Tower LLC ("Horizon Tower") controls Teltranet;
- Duff Ackerman & Goodrich QP II, L.P. (which holds an approximate 85% interest in Horizon Tower) controls Horizon Tower;
- DAG II, LLC, the general partner of Duff Ackerman & Goodrich II, L.P., Duff Ackerman & Goodrich QP II, L.P., and DAG GP Fund II, LLC, holds a 1% equity interest in each of Duff Ackerman & Goodrich II, L.P. and Duff Ackerman & Goodrich QP II, L.P.; and
- DAG II, LLC has no equity interest in DAG GP Fund II, LLC.

Please let me know if you have any additional questions or need anything else to complete your review of Teltranet's pending Petition for Declaratory Ruling.

Sincerely,

Wayne D. Johnsen
