(1) What is the highest percentage equity and voting interest that may be acquired by any one holder of SMCI's stock options (on an undiluted basis)?

The highest percentage equity and voting interest that may be acquired by any one holder of SMCI's stock options would be 3.96% for Stanley Pui-Ling Chan. This percentage assumes that Mr. Chan's options are the only options in the stock option pool that are exercised. His options would represent a 3.60% voting and equity interest based on the current number of outstanding shares. Combined with Mr. Chan's existing ownership interests, his total equity and voting interest would be 3.96%.

(2) What percentage ownership interests do GTI V, LP and GTI V (NR) LP hold, respectively, in SMCI?

GTI V, LP holds a 5.96% interest in SMCI. GTI V (NR) LP holds a 2.41% interest in SMCI.

(3) Do the named "investment principals" of GTI V, LP and GTI V (NR) LP hold their stated interests as limited partners of each partnership?

Yes.

(4) For each of GTI V, LP and GTI V (NR) LP, what is the highest percentage equity interest held by any one of its unidentified limited partners?

For GTI V, LP, the investment principals identified in the Petition for Declaratory Ruling hold a total interest of 92.33%. The highest percentage equity interest held by any unidentified limited partner is held by LBC Capital Inc., a Canadian corporation. It holds a 5.44% equity interest.

For GTI V (NR) LP, the investment principals identified in the Petition for Declaratory Ruling hold a total interest of 88.74%. The highest percentage equity interest held by any unidentified limited partner is held by Thomas S. Roberts, a U.S. corporation. It holds a 5.38% equity interest.

(5) Please provide a principal place of business showing for GTI V and GTI V (NR) Inc. (the "GTI General Partners") and the citizenship and percentage voting interest held in the GTI General Partners by their respective shareholders.
